DSFFG

ABOUT US

After the reorganization of the College of Forestry and Natural Resources in 1998, the Department of Social Forestry was renamed to the Department of Social Forestry and Forest Governance (DSFFG) to broaden its concerns encompassing the domain of politics and administration of forestry and natural resources.

DSFFG aims to be a dynamic and effective leader in the promotion of social equity, participation, and sustainability in forestry and natural resources.

OUR FACULTY

Rose Jane J. Peras, PhD
Professor, Chair

Leni D. Camacho, PhD
Professor

Peter Jerome B. Del Rosario, PhD

Assistant Professor

Dixon T. Gevaña, PhD
Professor

Liezl B. Grefalda, MSc
Assistant Professor

Felisa L. Malabayabas, PhD
Associate Professor

Krisandra A. Mariano
Instructor

Marlo D. Mendoza, MDM
Associate Professor

Fritzielyn Q. Palmiery, JD

Assistant Professor

Juan M. Pulhin, PhD
Professor

Lorena L. Sabino PhD
Assistant Professor

Elsa P. Santos, MM
Associate Professor

Maricel T. Villamayor, PhD
Associate Professor

Lucrecio L. Rebugio, PhD
Professor Emeritus

TEACHING ASSOCIATES

Louise Bernadette C. Del Castillo
Teaching Associate

Justine A. Marasigan, RPF
Teaching Associate

OUR RESEARCH

- Social Forestry
- Forestry Extension
- Human Geography
- Forest and Natural Resources Governance
- Community Development
- Natural Resource Economics
- Climate Change and Disaster Risk Management

Our research aims to advance the frontier of knowledge in social forestry and forest governance to enhance the capability of people, communities,, and institutions in the sustainable development of forests and natural resources.

OUR COURSE OFFERING

UNDERGRADUATE

Social Forestry and Forest Governance courses are integrated into the Bachelor of Science in Forestry and Associate of Science in Forestry curricula. SFFG courses are geared towards molding holistic foresters equipped not only of technical forestry but also grounded in human dimensions of forests and natural resources.

GRADUATE

To promote research and professional development in the field of social forestry and forest governance, Social Forestry is also offered as Specialization under two masters program namely Master of Science in Forestry and Master of Forestry.
